

## Closing In

KAMRAD

You don't know about me, do you?  
'Cause I just can't seem to get through  
But you keep calling me out in the morning  
You're the last word I write every night  
About crossing your way, crossing your way, crossing your way

When I'm coming close  
You don't see me, you don't see me  
When I'm letting go  
You will feel me, you will feel me  
Tell me, why is this so complicated  
When it could be so easy?  
It's your turn now, I'll stop trying, stop trying  
(Stop trying)

Well you know where to find me, where to find me  
All my life I've been putting up these signs  
Well you know where to find me, where to find me  
You're closing in baby, I know now  
You're closing in baby, I know now

You don't care what I say, do you? (No, no, no)  
You make it feel like déjà vu (Ooh, ooh, ooh, ooh)  
Cause every time I've been trying to thrill you  
Every time I thought you're on my side  
You just fooled me again, you fooled me again, you fooled me again  
(Oh you fooled me again)

When I'm coming close  
You don't see me, you don't see me  
When I'm letting go  
You will feel me, you will feel me  
Oh, tell me, why is this so complicated  
When it could be so easy?  
It's your turn now, I'll stop trying, stop trying  
(Stop trying)

Well you know where to find me, where to find me  
All my life I've been putting up these signs  
Well you know where to find me, where to find me  
You're closing in baby, I know now  
You're closing in baby, I know now

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
You're closing in  
You're closing in

Yeah I feel it, I feel it oh  
Yeah I feel it, oh yeah

Well you know where to find me, where to find me  
All my life I've been putting up these signs  
Well you know where to find me, where to find me  
You're closing in baby, I know now  
You're closing in baby, I know now

Well you know where to find me, where to find me  
(Well you know where to find me baby)  
All my life I've been putting up these signs  
(I've been putting up these signs)  
Well you know where to find me, where to find me  
(Ooh, ooh, ooh)  
You're closing in baby, I know now  
You're closing in baby, I know now
