

Dance With Danger

KAMRAD

Damn, damn, I'll dance with danger

Are you my alter ego?
Wanna do what you say
'Cause I'm chasin' a high tonight, yeah
And I love how it feels
When you're up in my space
'Cause you're wakin' the beast inside

Don't know what you're bringin'
You just got me singin'
Hey, Mama, Mama, hey, hey

I'm gonna stay up late, yeah, this is goin' down
Oh damn, damn, I'll dance with danger
Safe to say that I'm in trouble now
Oh, damn, damn, I'll dance with danger

I wanna dance, I wanna dance
I wanna, ooh, dance with danger
I wanna dance, I wanna dance
I wanna, ooh, dance with danger

I don't care where I'm headed
If I'm losin' control
Like you want me to do tonight, yeah
Oh yeah, I'm gonna leg it
Like a wild animal
No, I ain't slowin' down oh my, no

Don't know what you're bringin'
You just got me singin'
Hey, Mama, Mama, hey, hey

I'm gonna stay up late, yeah, this is goin' down
Oh damn, damn, I'll dance with danger
Safe to say that I'm in trouble now
Oh, damn, damn, I'll dance with danger

I wanna dance, I wanna dance
I wanna, ooh, dance with danger
I wanna dance, I wanna dance
I wanna, ooh, dance with danger

Hey, Mama, Mama, hey, hey
Hey, Mama, Mama, hey, hey
Hey, Mama, Mama, hey, hey
Hey, Mama, Mama, hey, hey
Yeah, I'm gonna stay up late

I'm gonna stay up late, yeah, this is goin' down
Oh damn, damn, I'll dance with danger
Safe to say that I'm in trouble now
Oh, damn, damn (Yeah), I'll dance with danger

I wanna dance, I wanna dance
I wanna, ooh, dance with danger

I wanna (I wanna) dance, I wanna dance
I wanna, ooh, dance with danger
