Down & Up

KAMRAD

Down and up!

Don't you wanna tell me what you know
That I don't know?
Go on and show me what you've got
Steal my show

With all your nice things
And your fancy drinks
All your lovers with
Diamond rings

I don't wanna go where you go (ah-ah-ah)
I would rather stay on my own (ah-ah-ah)
Rather fail a million times more (ah-ah-ah)
(Ah-ah-ah ah-ah-ah)

I know I'm falling down (ah-ah)
I get up off the ground (ah)

(Ah) I know I'm falling down, falling down
(Ah) I get up off the ground, off the ground
(Ah) That's what it's all about, all about
(Ah) It's going up and down
Down and up!

Don't you wanna tell me what to do
To be like you?
Go on tell me the only truth
Make sure that I lose

All those nice things
And your tempting winks
Are all just covers

I don't wanna go where you go (ah-ah-ah)
I would rather stay on my own (ah-ah-ah)
(Oh, I wanna stay on my own)
Rather fail a million times more (ah-ah-ah)
(A million times)
(Ah-ah-ah ah-ah-ah)

(Ah) I know I'm falling down, falling down
(Ah) I get up off the ground, off the ground
(Ah) That's what it's all about, all about
(Ah) It's going up and down
Down and up!

Ooh ah oh oh
Ooh ah
Down and up
Ooh ah oh oh
Ooh ah
Down and up

(Ooh ah oh oh
Ooh ah)

That's the way that it goes...
That's the way that it goes...
You gotta feel this low
To come back really strong
Won't let them keep me down

I know I'm falling down

(Ah) I know I'm falling down, falling down
(Ah) I get up off the ground, off the ground
(Ah) That's what it's all about, all about
(Ah) It's going up and down
Down and up!

(Ooh ah oh oh ooh ah)
I know I'm falling down, falling down
(Ooh ah oh oh ooh ah)
I get up off the ground, off the ground
(Ooh ah oh oh ooh ah)
That's what it's all about, all about
(Ooh ah oh oh ooh ah)
It's going up and down
Down and up!
