

Feel Alive

KAMRAD

I was feeling numb, numb, now I feel alive
And I don't want someone, -one only for a night
I was feeling numb, numb, now I feel alive
And I just wanna know what you do, what you do tonight

I've been getting my heart wrecked
It's been a hell of a ride
I've been feelin' so upset
'Cause no one ever felt right
Yeah, I gotta hit reset
The world is bringing me down
And I'm just trying to figure it out, yeah

And I don't care
As long as we go la da da da da
'Cause you're so rare
Got diamonds like Rihanna na na
No matter where
We end up, we go la da da da da
'Cause you took all the hurt from my heart

Yes, I was feeling numb, numb, now I feel alive
And I don't want someone, -one only for a night
I was feeling numb, numb, now I feel alive
And I just wanna know what you do, what you do tonight

'Cause I was feeling numb, numb, now I feel alive
And I don't want someone, -one only for a night
I was feeling numb, numb, now I feel alive
And I just wanna know what you do, what you do tonight

I've been stuck in a nightmare
And now it feels like a dream
Yeah you're taking me right there
Yeah you are all that I need
Yeah you keep taking me high
We be like diamonds up in the sky

Yes, I was feeling numb, numb, now I feel alive
And I don't want someone, -one only for a night
I was feeling numb, numb, now I feel alive
And I just wanna know what you do, what you do tonight

'Cause I was feeling numb, numb, now I feel alive
And I don't want someone, -one only for a night
I was feeling numb, numb, now I feel alive
And I just wanna know what you do, what you do tonight
What you do, what you doing, oooh
What you do, what you do tonight
What you do, what you doing, oooh
What you do, what you do tonight
What you do, what you doing, oooh
What you do, what you do tonight
And I just wanna know what you do, what you do tonight
