KAMRAD

Have you just found your way?  
Are you trying to figure it out?  
There's nothing you should worry about

Do you know how to behave?  
Or can't you act your age for now?  
You've got the time to find it out

There are so many ways  
You'll find it out on your own  
There are so many ways...

You will find  
Find that there is love in your life  
You will find  
Find out only love delights

Do you know what awaits you?  
Will you take it as it comes?  
You've got the right to do it all

You can do your own thing  
You can do whatever you want  
Cause that's what life is all about

There are so many ways  
You'll find it out on your own  
There are so many ways...

You will find  
Find that there is love in your life  
You will find  
Find out only love delights

You'll find it out on your own  
So many ways

You can find, ah ah ah
