

I Believe

KAMRAD

Blow my mind
Blow my mind
Blow my mind now
Take me high
Take me high
Spin me right 'round
Don't know why
Don't know why
It's burning me out
I won't get it right
Stay at home all night

Out of sight
Out of sight
I'm hiding right now
You're dynamite
Dynamite
Yeah, I got no doubt
Way too tight
Way too tight
I need a time-out
I can't get it right
Stay at home all night

I believe
I'd rather fall asleep than fall in love
And I believe
That someone in my bed is not enough
And I believe
I'd rather fall asleep than fall in love
And I believe
It's only in my head, yeah
I believe
I'd rather fall asleep than fall in love
And I believe
That someone in my bed is not enough
And I believe
I'd rather fall asleep than fall in love
And I believe
It's only in my head, yeah

Blow my mind
Blow my mind
Blow my mind now
Every night
Every night
I'm on my way down
You're so high
You're so high
My feet on the ground
I can't get it right
All alone tonight

It's been too long
I'm out of time
I'll leave you high and dry
It feels so wrong

You felt so right
Fell out of love tonight

I believe
I'd rather fall asleep than fall in love
And I believe
It's only in my head, yeah
I believe
I'd rather fall asleep than fall in love
And I believe
That someone in my bed is not enough
And I believe
I'd rather fall asleep than fall in love
And I believe
It's only in my head, yeah

Badadam, ah
Badadam, badadam
Badadam, ah
Badadam, badadam
Badadam, ah
Badadam, badadam
Badadam, ah
Badadam, badadam

I believe
I'd rather fall asleep than fall in love
And I believe
That someone in my bed is not enough
