I Don't Know Myself

KAMRAD

Come on, take a – take a sip
Oh, I don't wanna lose time
'Cause now I feel strong
I know I don't even know you
But things'll go right
Well, I can show you

I know, baby, baby, that I love you
I can tell by the way you talk, yeah
I know, baby, baby, that I want you
Cause it is in the way you walk, yeah

I don't know myself
No, I don't know myself
I don't know myself
But I wanna get to know you
Yeah, I wanna get to know you
Oh, I wanna get to know you

Come on, put your – put your smile on
Tell me where you wanna go
And tell me what you want
I know I don't even know you
But give me one try
And baby, I'm gonna show you

I know I'm the – I'm the right one for you
I can tell by the way you talk, yeah
I know I'm the – I'm the who'll love you
Cause it is in the way you walk, yeah

I don't know myself
No, I don't know myself
I don't know myself
But I wanna get to know you
Yeah, I wanna get to know you
Oh, I wanna get to know you

Now I know you're the one
And I don't care where we're going
'Cause now I'm sure this is how I wanna feel
Don't think too long, just let go
And don't say no
Because I know that I can show you
That I'm what you need
Now I know you're the one
And I don't care where we're going
'Cause now I'm sure this is how I wanna feel
Don't think too long, just let go
And don't say no
Because I know that I can show you
That I'm what you need

I don't know myself
I don't know myself
I don't know myself
But I wanna get to know you
