

I'm Done

KAMRAD

Oh baby, I'm done
Done-done-done-done-done with you
Everything you say and everything you do
I ain't gonna waste my time with you
Ooh-ooh, ooh-ooh

I miss your stupid face
Especially on the weekends
You've been gone for days
I don't know where you're sleeping
Thought you're gonna stay
But you just left me bleeding
God oh hear the prayers
'Cause I'm so tired of feeling

You're calling me up
And I'm the one who's dressed up
Only to be let down by you
I guess you forgot
I know all your cheap shots
Please don't get your hopes up

Oh baby, I'm done
Done-done-done-done-done with you
Everything you say and everything you do
I ain't gonna waste my time with you
Ooh-ooh, ooh-ooh
Oh baby, I'm done
Done-done-done-done-done with you
I tired of your bullshit, baby we're through
Done-done-done-done-done with you
Ooh-ooh, ooh-ooh

You're fucking with my brain
Especially when I'm sleeping
So I stay awake
To figure out my dreams been
Dancing in the rain
'Cause something gonna stop
Yeah, I gave you all I got
But I guess it's not enough, no no

You're calling me up
And I'm the one who's dressed up
Only to be let down by you
I guess you forgot
I know all your cheap shots
Please don't get your hopes up

Oh baby, I'm done
Done-done-done-done-done with you
Everything you say and everything you do
I ain't gonna waste my time with you
Ooh-ooh, ooh-ooh
Oh baby, I'm done
Done-done-done-done-done with you
I tired of your bullshit, baby we're through

Done-done-done-done-done-done with you
Ooh-ooh, ooh-ooh, ooh-ooh ooh ooh

I tired of the bullshit, baby
I tired of the bullshit, baby

I'm done
Done-done-done-done-done-done with you
Everything you say and everything you do
I ain't gonna waste my time with you
Ooh-ooh, ooh-ooh, ooh-ooh ooh
