

Never Get Older

KAMRAD

I don't want all my friends to be sober
Never get older, never get over you

I wanna be love drunk
Life's gonna be all fun
We're gonna make hot days, wild nights, shine on
You love me like you should
I never felt so good
Let's make it a lifetime, waste mine on ya

I don't wanna be alone, oh oh
I will always call you oh, oh oh
Don't want no sad songs
You're putting me heads on
We into these bright lights, stay high, stay young

I don't know why I've got to get older
I don't know what they want me to do
I don't want all my friends to be sober
Never get older, never get over you

I don't know why I've got to get older
I don't know what they want me to do
I don't want all my friends to be sober
Never get older, never get over you

You're making me crazy
We're stuck in a daydream
When I'm with you, we're always eighteen

I don't wanna be alone, oh oh
I will always call you oh, oh oh
Don't care if they say I'm wrong, oh oh
Feels like we already won, oh

I don't know why I've got to get older
I don't know what they want me to do
I don't want all my friends to be sober
Never get older, never get over you

I don't know why I've got to get older
I don't know what they want me to do
I don't want all my friends to be sober
Never get older, never get over you
