

On You

KAMRAD

Fake friends lie to me
Fake that loyalty
I need your face to remind me
Been living off of a lie
I got it all, girl, I admit it
But I'd give it all away in a minute
I need more space in my timeline
It only should be you and I (I)

I can't get you off of my mind
Only you get this shit off of my mind
Off of my mind

I've been on you
I've been all up in your high
(Ah ah ah ah)
I've been on you
I'm in need of your supply
I couldn't get down if I tried

You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low

It's true what they say 'bout the night
It's dangerous but it's made for us
I'm living off of your smile
Stumbling on and on, I keep trippin'
Blurry and faded, fucked up my vision
Every touch got me dizzy
I only can see you and I (I)

I can't get you off of my mind
Only you get this shit off of my mind
Off of my mind

I've been on you
I've been all up in your high
(Ah ah ah ah)
I've been on you
I'm in need of your supply
I couldn't get down if I tried

You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low

I can't get you off of my mind
Only you get this shit off of my mind
Off of my mind (Ah-Ah-Ah)

I've been on you
I've been all up in your high
(Ah ah ah ah)
I've been on you
I'm in need of your supply
I couldn't get down if I tried

You-uh-uh-uh
Keep me high when I get too low
You-uh-uh-uh
Keep me high when I get too low
I'm in need of your supply baby
Keep me high when I get too low
I'm in need of your supply baby
Keep me high when I get too low
