

So Good

KAMRAD

It feels so good, feels so good
It feels so good, feels so good
It feels so good, feels so good
It feels so good, feels so good

Melancholy sunshine, walkin' on a dream
I've been through a tough time, lookin' for some peace
You stumbled into my life, swept me off my feet
And baby, now I feel like the kids who run free
Met me at a low-low, rollin' in the deep
Baby, I got high hopes, whatever that means
Life is really good though, you're all I never need
And baby, now I feel like the kids who run free

It feels so good, feels so good
It feels so good, feels so good
We're drunk in love like we should
It feels so good, feels so good
It feels so good, feels so good
It feels so good, feels so good
We're drunk in love like we should
It feels so good, feels so good

Melancholy sunshine, I can see the rain
Yeah, you make me smile, like, maybe I'm insane
Met you at the right time, hope you'll stay for me
And baby, now I feel like the kids who run free (All the other
kids who run free)
Runnin', runnin', runnin' away, just you and me tonight
Tell me, tell me, tell me you'll stay when things ain't goin' r
ight
I got, I got love on the brain, yeah, with you on my mind
And baby, now I feel like the kids who run free

It feels so good, feels so good
It feels so good, feels so good
We're drunk in love like we should
It feels so good, feels so good
It feels so good, feels so good
It feels so good, feels so good
We're drunk in love like we should
It feels so good, feels so good
