

# Give It To You

Kandi

For awhile I been single  
Haven't even mingled  
Taking time for me  
But everytime I see you  
My body feels tingles  
I wanna taste the air you breathe  
I love your conversation  
Feel my admiration  
When I look deep in your eyes  
I feel a connection  
I wasn't expectin'  
Way deep down inside

(CHORUS)

It's been a long time  
Long time since I...felt like  
Giving my love to someone  
Giving my heart to someone  
Giving my love (repeat 2 times)

I wanna give it  
Wanna give it  
Wanna give it to you baby  
Oooh I, Oooh I  
I wanna give it  
Wanna give it  
Wanna give it to you baby

I'm tryna be good  
I wanna be bad  
I'm tryna hold my dirty thoughts back  
No fly by night romance  
I want substance  
Something real that will last  
The more I get to know ya  
The more I wanna hold ya  
The more I wanna be your girl  
The closer I get to ya  
I can see your future  
A vision of me in your world

(CHORUS)

It's been a long time  
Long time since I...felt like  
Giving my love to someone  
Giving my heart to someone  
Giving my love (repeat 2 times)

It's been a long time since I wanted to give my love away  
It's been a long time since I met someone worth it anyway  
It's been a long time since I wanted to give my heart and soul and more  
But right now I wanna give it all to you  
I wanna give it to you  
I wanna give it to you  
Give it to you  
I wanna give it  
Wanna give it

Wanna give it to you baby  
I wanna give it  
Wanna give it  
Wanna give it to you baby

It's been a long time, long time since I...felt like  
Giving my love to someone  
Giving my heart to someone  
Giving my love  
Oh it's been a long time, long time since I...felt like  
Giving my love to someone  
Giving my heart to someone  
Giving my love ~And I wanna give it to you~

I wanna give it  
Wanna give it  
Wanna give it to you baby  
I wanna give it  
Wanna give it  
Wanna give it to you baby
