

# Superwoman

Kandi

Kandi talking  
To all my single mothers out there  
Turn this song up  
And if your mom, sister, cousin or whoever is a single mother  
Turn this song up

Tiny  
Try to maintain, keep my head up and do the right thing  
Stay living like a queen  
But everyday im paying for the gifts and the money I receive  
From the hustling to the mourning  
I never thought I never seen you and I  
And now all my kids wanna know why  
Daddy's been gone (for so long)  
But they need a man in their life

Kandi  
Single mothers  
Now do yall hear me  
Like a real struggle  
Hands up if yall feel me

Chorus (Tiny)  
If you're the only one that takes care of home  
Then girl you're a superwoman (you're a superwoman)  
If the daddy done left you alone (if the daddy let go)  
Then girl you're a superwoman (you're a superwoman)  
If you be working all the time for your child with a smile (child with a smile)  
You're a superwoman (a superwoman)  
If you sacrifice to better your child's life (to better your child's life)  
Then girl you're a superwoman (you're a superwoman)

(Kandi)  
Never wanted to be somebody's baby momma  
But when you really think about it, what girl would wanna  
Sit around a raise a child all on her own  
Like me that why I put a verse on the song  
Just like my mother  
Raised me and my brother  
That why I love her  
Cause she's tougher and those busters couldn't touch her  
But lord I know she suffered  
And right now I just continue to struggle of being a strong mother on my hustle

(Tiny)  
Single mothers  
Now do yall hear me  
Like a real struggle  
Hands up if yall feel me (feel me)

Chorus (Kandi)  
If you're the only one that takes care of home  
Then girl you're a superwoman (girl, you're a superwoman)  
If the daddy done left you alone (left you alone)  
Then girl you're a superwoman ( girl, you're a superwoman)

If you be working all the time for your child (yea) with a smile  
You're a superwoman, a superwoman (whoa whoa whooo yea)  
If you sacrifice to better your child's life (better your child's life)  
Then girl you're a superwoman

Brige (Kandi and Tiny)  
Girls its hard (It's so hard)  
To carry the weight of the world on your shoulders  
(to carry the weight of)  
Girls it's so hard (it's so hard)  
Cause ain't nobody tryinna do nothing for ya  
(Ain't nobody doing nothing for ya)
