

3, yeah, that number's always meant so much to me
My mamma had me back in '93
I was 3 years old and 3 feet tall when I started playin' ball
And the number on my back was always 3
And to this day, that's what a lot of old friends from those ol
d teams still call me

Everybody's got their lucky number
It shows up in most everything they see
So, I guess that it really ain't no wonder
That my whole life mine always seems to be 3

So, I always pulled for Earnhardt on TV
And that's how many we had in our family
One hard-working single mother, me, and my little brother
Yeah, 3 counting on each other

Everybody's got their lucky number
It shows up in most everything they see
So, I guess that it really ain't no wonder
That my whole life mine always seems to be 3

3:00 in the morning, and my wife is fast asleep
Like those two girls in that room across from me
Yeah, we thought that we were stopping
But this baby that I'm rocking
Proves this little boy that looks like me was born to be 3
