

Blessed & Free

Kane Brown

[Verse 1: Kane Brown]

I've been on the highway, for two days
Tryna keep my head straight
Running from my old ways, the old days
It was dust and dreams
I've been sippin' Moonshine for two nights
Tryna keep the moonlight
Rebel with a lost cause and there's no time to sleep

[Pre-Chorus: Kane Brown & H.E.R.]

'Cause as long as my eyes still see
As long as my heart still beat
As long as I'm alive, I'm free

[Chorus: Kane Brown & H.E.R., Kane Brown]

So I don't count on nothing
Don't ever stop running
I ain't hurting nobody, so just let me be
I got good intentions, I don't need your blessings
Yeah, I'm already blessed, yeah I'm already blessed and free (Blessed and fr
ee)
Yeah, I'm already blessed, yeah I'm already blessed and free

[Verse 2: H.E.R., Kane Brown, Both]

I just need to drive slow, eyes closed
Or travel where my mind goes
I'm just tryna lay low, so don't mind me
Struggle with my own fights so don't try (Don't try)
To tell me that its alright
Got nothing but my own [?] and my hopes beside me
Oh, oh

[Pre-Chorus: Kane Brown & H.E.R.]

'Cause as long as my eyes still see
As long as my heart still beat
As long as I'm alive, I'm free

[Chorus: Kane Brown & H.E.R., H.E.R.]

So I don't count on nothing
Don't ever stop running
I ain't hurting nobody, so just let me be
I got good intentions, I don't need your blessings
'Cause I'm already blessed, yeah I'm already blessed and free (Oh-oh, oh-oh)
Yeah, I'm already blessed, yeah I'm already blessed and free (Oh-oh, oh-oh)

[Pre-Chorus: Kane Brown & H.E.R.]

'Cause as long as my eyes still see
As long as my heart still beat
As long as I'm alive, I'm free

[Chorus: Kane Brown & H.E.R., H.E.R.]

So I don't
So I don't count on nothing
Don't ever stop running
I ain't hurting nobody, so just let me be
I got good intentions, I don't need your blessings
Yeah, I'm already blessed, yeah I'm already blessed and free (Blessed and fr

ee)

Yeah, I'm already blessed, yeah I'm already blessed and free (Oh-oh, oh-oh)

[Outro: H.E.R.]

Free, ooh-ooh, ooh, ooh-ooh

I'm already

Blessed and free
