

Haunted

Kane Brown

Wakin' up in cold sweat
California King bed
Got the diamond ring set
Shoes that ain't released yet
Maserati sports car
Singin' songs that everybody knows
On a guitar
They say I'm a superstar, but

Oh
I still got this feeling in my bones
Happens every time that I'm alone
Part of me is feelin' like a ghost
Oh-whoa-oh

'Cause I'm haunted by the voice in my head
I'm haunted by the taste of that lead
I wanted too many times to jump off of the edge
Thinkin' I was better off dead
I'm haunted only every other night
I'm haunted, and I wish I knew why
I wanted too many times to be gone by the mornin'
If I'm honest
Yeah, I'm haunted
Oh-whoa-oh, yeah
Yeah, I'm haunted

If I'm bein' real
I spent my whole life escapin' the pills
If I'm bein' real
I think I was happier when I couldn't pay the bills
If I'm bein' real
I'm searchin' for purpose
I feel wealthy but worthless
If I'm bein' real
I don't know if it's worth it

'Cause I'm haunted by the voice in my head
I'm haunted by the taste of that lead
I wanted too many times to jump off of the edge
Thinkin' I was better off dead
I'm haunted only every other night
I'm haunted, and I wish I knew why
I wanted too many times to be gone by the mornin'
If I'm honest
Yeah, I'm haunted
Oh-oh
Haunted

If I'm bein' real
I spent my whole life escapin' the pills
If I'm bein' real
If I'm bein' real

'Cause I'm haunted by the voice in my head
Yeah, I'm haunted
I'm haunted by the taste of that lead

Oh, so haunted
I wanted too many times to jump off of the edge
Thinkin' I was better off dead
Was better off dead
I 'm haunted only every other night
Whoa-oh
Haunted, and I wish I knew why
Wish I knew why
I wanted too many times to be gone by the mornin'
By the mornin'
Bein' honest
Yeah, I 'm haunted

Haunted
