

Losing You

Kane Brown

I'm not afraid of monsters under my bed
I'm not afraid of skeletons in my closet
Or the voices in my head
Not afraid to speak my mind
I'm not afraid to say I'm wrong sometimes, yeah
I'm not afraid of a lot of things
But there's one thing I can't hide

When it comes to losing you
I don't know what I would do
I don't ever think I'd make it through
By myself or anybody else
I ain't afraid to make mistakes
Ain't afraid to change my ways
Ain't afraid to look you in the eyes and tell the truth
I'm just scared of losing you

I don't have a fear of what I don't know
I'm not afraid of the dark, I don't believe in ghosts
I'm not afraid to speak my mind
I'm not afraid to say I'm wrong sometimes, yeah
I'm not afraid of a lot of things
But there's one thing I can't hide

When it comes to losing you
I don't know what I would do
I don't ever think I'd make it through
By myself or anybody else
I ain't afraid to make mistakes
Ain't afraid to change my ways
Ain't afraid to look you in the eyes and tell the truth
I'm just scared of losing you
I'm just scared of losing you

I ain't afraid to fight
I ain't afraid to cry
I ain't afraid to live
I ain't afraid to die

But when it comes to losing you
I don't know what I would do
I don't ever think I'd make it through
By myself or anybody else
I ain't afraid to make mistakes
Ain't afraid to change my ways
Ain't afraid to look you in the eyes and tell the truth
I'm just scared of losing you

Yeah, I'm just scared
I'm just scared of losing you
Said, I'm just scared
I'm just scared of losing you
Yeah, I'm just scared
I'm just scared of losing you
Yeah, I'm just scared
I'm just scared of losing you
Yeah, I'm just scared
I'm just scared of losing you
