

## See Thru

Kane Strang

Didn't take it like I wanted to and see through  
But can see through you when I don't know  
What you wanna do, I won't tell the truth  
When I'm talking to you  
But I'll try so hard to make you smile  
Haven't seen you smile in a little while  
Didn't take it like I wanted to, I am see thru  
But can see thru you

I'll be waiting for you  
Waiting for you, waiting, waiting for to tell you  
Like I needed to it's a good thing I am see through  
And I don't know what you wanna do now I've told the truth  
Without talking to you  
But I'll try so hard to make you smile  
Haven't seen you smile in a little while  
Didn't tell you like I need to  
It's a good thing I am see thru

And I'm only blowing smoke so high  
Linger in your ear for the whole night  
And I'm hoping taking the wind out of your sails so you stay here  
'Cause the daylight, and it only gets the most I can, bet it's gonna end  
Didn't take it like I wanted to, I am see thru  
But can see thru you
