

What's Wrong?

Kane Strang

The spider web
Sits in the spotlight
And dancing all night
Oh, so fragile and polite

In my head
Is my girl
Going through the door
And now
Me and you
We'll do it some more

Why do you scare me so much baby?
I can't figure it out

Go get her now
It will work somehow
I know your head's loud
But you can figure this out

My girl
Starts to walk
Out the door
So I'll talk
Talk to you
And talk some more

Why do you scare me so much, baby?
I can't figure it out
Why do you scare me so much, baby?
I can't figure it out

What's wrong?
Nothing, nothing

What's wrong?
Nothing, nothing

What's wrong?
Nothing, nothing

What's wrong?
Nothing, nothing

Do you mind if I can't tell you everyday everything?
Do you mind if I can't tell you everyday everything?
Oh

I know your head's loud
