

You Think

Kane Strang

You think I will make you smarter
But you think wrong
You think, you're thinking wrongly
You think all thrill
Love in style
But you think wrong

You think, you think you know me
You think, you think you know me
You think, you think you know me

Ba da ba, ba da ba, ba da ba, ba da ba
You think
Ba da ba, ba da ba, ba da ba
You think so
Ba da ba, ba da ba, ba da ba
You think, you think you know me
Ba da ba
