

Worst Day Ever

Kang Daniel

Kyō wa cloudy sora ni misukasa re
Kokoro utsutta yōna kumo ga leading the way
Wind is blowing tobasa fuan mo hora
Nigawarai dake ja mō tae rarenai ya

Zenbu nagesutete
Sukoshi demo hayaku
Kaeritai na
I try to find a way, but it's just another day
Shikatanai iyana koto bakkade mo ima wa

Nayan datte i namida no nochi wa (You'll see)
Rainbow after bad days (Woah, woah)
Kasa sashi warai zenbu uketomete (All the way)
The worst day of the worst days ever

So wake me up if I get to see tomorrow
Atama-kun no koto bakka
Attoiiumani mō kon'na-jikanda
Still I can't stop looking at the clock, oh
Iiwake mitai ka na, no
Mada nemurenai semete yume de aou

Kitai bakka shite
Eta mono wa itami
Kotae mo nai
I try to find a way, but it's just another day
Shikatanai iyana koto bakkade mo ima wa

Nayan datte i namida no nochi wa (You'll see)
Rainbow after bad days (Woah, woah)
Kasa sashi warai zenbu uketomete (All the way)
The worst day of the worst days ever

The worst day
Tsurai no wa yappa iyadashi
Give me the light
Kawaritai negai sora todoke
Kiete yo kumorizora
Ashita mo mata waratte

Nayan datte i namida no nochi wa (You'll see)
Rainbow after bad days (Woah, woah)
