This bitch eat that dick up like hibachi  
He can't trust me, nigga, just gotta watch him  
Soon as I walk in, his hoe watchin'  
I just copped a Patek, I've got options  
Cop my hoe Chanel, she love shopping  
Racks coming in, nigga, my favorite topic  
You ain't gettin' racks nigga, stop it  
Kel-Tec on me nigga, it'll box you  
The hoe gon' fuck with a rich nigga  
Hold up, he just copped a brick, nigga  
Only 19, still six figures  
Rocking Dior, no Hilfiger
