He slayed this one

Niggas die like everyday, that's why I keep a gun
Ride round with like 5 racks nigga, just for nun'
How much I spent on that codeine? Nigga, like a ton
And I got a white ho, turned that lil' hoe to a addict
Choppa bullets ran right through a nigga like some acid
Fell in love with codeine nigga, shit became a passion
We got FN's, dracos nigga, sitting in the attic
Brand new Hellcat nigga, sound like a thunderstorm
Had to let this lil' hoe know that she not the one, nigga
Either way it go, seen like 6 figures
I'm like on Melrose with a dirty pistol
