Kankan

Ayy, finesse the racks, it's too easy  
Yeah, get his ass gone like Weezy  
Yeah, I'm a young boy, no Graffiti  
I'm stacking my bands, it look like a Tiki  
I get to this money, I get to it weekly  
These niggas lying completely  
You looking for love, the money I'm seeking  
Like a lil' faucet, get his ass leaking  
Took a lil' pill, now I'm tweaking  
Remember niggas hating, now they want features  
Send his ass to God like I'm a preacher  
Niggas try [?], I call 'em creatures  
Break up in your house, you know we creeping  
I hear these nigga leeching  
Get hit one time, his mama grieving  
These niggas lying, they be deceiving

These niggas lying, these niggas deceiving  
Nigga that K put his ass on TV  
Run off on him, have a good evening  
All of my niggas, yeah we be eating  
I run it up so let's spark a 'Wood  
We run it up so we eating good  
Let's hit up Benihana's  
I'm in that Tesla, you in a Honda  
You so high, you can't find us  
Nigga that 'Wood, let's spark it  
I'm in that Tesla, don't park it  
Kan turn this bitch to a moshpit  
Cap lil' nigga, just stop it  
Lil' Kan, he the trending topic  
Feel like Eric 'cause I keep the rocket
