Fuck around, make the Hellcat flip

Play with them racks like, "Yeah"
This eleven on me, yeah
Spend the rackies on that Clerc
Hop in the Tesla, I'm like, "Go there," yeah, yeah
Put a bad ho in Chanel, Number (N)ine
Yeah, if he say he got the racks on me, nigga, yeah, he lyin'
Yeah, and I'm high off the Percs right now, lil' bitch, I'm flyin'
Nigga, I walk up in Saks, you know that I'm buyin', yeah, yeah

Got the 'K right here, lil' nigga, yeah
No cap, my niggas pullin' triggers
Play with them racks like action figures, ha
Yeah, my lil' bitch ass bigger

Hop in the Tesla, put the bitch on "Go"
Walk up in [?], I get it to go, yeah

Spend the racks all on 'em jeans
Got the racks up in them jeans
Put my lil' bitch in Balmain
Dubbin' that ho, I fuck on his main
Get that boy gone if he think it's a game, yeah, yeah
Two tags on me, no tellin'
