Chop it up with y'all, a lil' interview  
We get to know 'em  
Follow they social media  
Yo, check them out on, on social-  
Major platforms where they music at

And then just tell a lil' 'bout y'all self  
Just say a lil' bit 'bout ya self  
You know what I'm sayin, wrap back around

So I started off like, 2 years ago  
He the one- one of the people  
Like, really started up with bruh  
I don't even want to say  
Shit just took off-  
(Just tell them how it took bruh)  
Like last year  
That shit, just start takin' off like  
October, November?  
When I quit my job  
I was like fuck it, fuck was wrong with me  
For real  
It really ain't start takin' off, like February  
But when we got out of jail  
That shit just started skyrocketing  
(Yeah, around that time, that's when it was like)  
(The most money I've ever made)  
Shit is crazy, it's summertime, time to enjoy it
