

Let's go, mm  
Bitch, let's go  
Let me know

Where you at? Where you staying?  
Let me know when you touch down  
I get this money and make it do circles, you know I ain't fucking around  
I get this money and make it do circles, you know I be putting it down  
I gotta get this shit quicker, I'm selling it whole, I ain't breaking it down  
I got these hoes on my dick these fake niggas around me it's making me smile  
I did a lot, nigga, I should be proud  
Niggas check in with me when they come into town  
Bands in the air right now, bands in the air right now, yeah  
Tell me how you feel right now, tell me how you feel right now, yeah  
Tell me how you feel right now, tell me how you feel right now, yeah  
Bands make her dance  
I can't trust nobody, I don't got no friends  
Bands make her dance, let's go  
I don't know why we can't just be friends  
If you feel a way then show it  
Fuck you, you annoying  
Put your lust inside your loyalty  
Every day I'm more important too  
I can see right through your heart  
Lil' baby, it ain't that hard  
Niggas been giving my props  
They be like, "Yeah, that shit hard"  
Sorry I talk how I talk  
Nigga, I do what I want  
Nigga, I live how I live  
She wanna pull up to the crib

She wanna pull up to the crib  
And I'm back on that codeine and pills  
I be fucking this ho but she his  
Had to tell that lil' ho what it is  
With this ho it's always somethin  
If a nigga find out that we fucking  
She just gon' tell him it's nothing  
Yeah, a lot of these niggas my sons  
Fuck all these hoes, can't cuff 'em  
Fuck all these hoes, can't trust 'em  
Run through that money, it's nothing  
That boy, he broke, that shit funny  
Yeah, my bitch hate when I'm on the road  
Yeah, this the life I chose  
She giving head in the Rolls  
Nigga, yeah, it's the codeine over hoes, yeah  
Ex ho still all on my dick, I got rich than a bitch, she can't figure it out  
And I'm sipping on codeine, they hope I don't OD, know you thought it was a drought  
Old ho was just in the way, so that lil' ho got replaced  
I feel all of these hoes just the same  
These bitches be fucking for a name  
My bitch as bad as it get, yeah  
Yeah, she want it, she get it

I keep on running through bitches  
I'm fucking this ho, yeah, when I'm in the city
