

PASS THE CEILING

Kankan

With a bad bitch, finna bust down the ceiling
Ain't no average shit, nigga, you know how I feel
No-no-no average hoes, nigga, you know how it is
In the back of the Rolls truck, havin' oil spills, yeah
In the Rolls truck, playin' wit' Glock
Bad bitch takin' off her top
I'm too wavy, might go pop
They sticked up like Taliban, play wit' this shit, get mopped
How I count up, go berserk
I'm in Dallas wit' my lil' niggas, take yo' lil top, put you on
a shirt
And we rich for real, nigga, all these bands, we drop the top
And close the curtains
Every time I crack a seal, my bitch get in her feelings
We touched a meal ticket, lil' nigga, we tryna touch a billion
Bad bitch seen me up, she know we up for real
Before we was on, we was scorin' seals
My whips foreign, my clothes foreign, got foreign broads
Keep foreign shit all in the crib, all in the garage
Colorful whips, you already know it
I'm steerin' the wheel, you know that I'm floorin'
This ho been callin' my phone for days, you know that I'm goin'
to ignore it
Keep Gen5 when I'm on stage, yeah that bitch too important
I've been poppin' my shit for ages, I tried to warn you
You duckin' the feds, nigga, I'm duckin' these warrants
These niggas really my sons, really count up every all damn mor
ning
Two years in, I really had two M's, that was during my first ru
n
I really had racks stacked up, nigga, yeah, soon as I had my so
n
My lil' niggas dead, yeah, they packed or they go on a run
Real niggas tried to take it, not bout' money, bitch too spacio
us
When they hurt about these hoes, these hoes, they be too shamel
ess
Your ho fucked the whole gang, that ho don't show no shame
Been iced out a plain Jane, rose gold, that bitch all stainless
I just woke up off pills, that's just how I'm feelin'
I've been geeked up, bitch, off pills, now I'm way past the cei
ling (Way past the ceiling)

Worth a, yeah
Worth a billion
Fuck it, you know, worth a billion
