

Don't Come Around Here

Kano

If you ain't part of da click don't come around here,
If you live out out in the sticks don't come around here
If you ain't part of the city don't come around here
Don't come around nigga don't come around here
If you ain't been here before don't come around here
If you ain't ready for war don't come around here
If you ain't part of da slum don't come around here don't come around nigga
don't come around here
Niggas carry gun around here
And they dump around here
If you ain't carrying one don't go around here
If you ain't carrying nuttin don't go around don't go around don't go around
Cause all ya hear is BRAP BRAP BRAP BRAPPP
U kno were serious BRAP BRAP BRAP BRAPPP,
Cause everyday is BRAP BRAP BRAP BRAPPP,
Them young kids ain't playing BRAP
Them young kids are spraying BRAP
Cause all ya hear is,
Another engine BRAP BRAP BRAP BRAPPP
Another killing BRAP BRAP BRAP BRAPPP
Them young kids ain't playing BRAP
Them young kids are spraying BRAPPP
Cause all ya hear is,

Something
Another gun ting
Another stabbing
Another mugging
Another funeral
Another one sins
Another yout man thinks he runs tings
Another mum lives but inside mum crys til her lungs sink
Brave face black shades trying to find justice on a wasted chase
For the heartless killers got faith for the police but their heart isnt in i
t
So she gets charged up and reckless cause she can't get her son back and it'
s hard to accept it
So she gets a weapon BRAP BRAP BRAP BRAPPP
And she ain't messin BRAP BRAP BRAP BRAPPP
Shes trying to find him BRAP BRAP BRAP BRAPPP
And she ain't denying BRAP
That it's not the right ting BRAP
But she resorts to voilence BRAP BRAP BRAP BRAPPP
Cause all ya hear is another engine BRAP BRAP BRAP BRAPPP
Another killing BRAP BRAP BRAP BRAPPP
Them young kids ain't playing BRAP
Them young kids are spraying BRAPPP
Cause all ya hear is,
Problems and problems and reasons for the problems
No solving if the problems just a part of your problem
More money that's their problem
Their gunna turn this place in to compton
If it werent for olympics these pricks wouldn't of put doe into east london
Neglection
Kids carry guns for protection
Weapons buy that on the streets for pence
Direction

Kids lost that along time ago
Even if their trying to blow
Cause all ya hear is,

U kno were serious BRAP BRAP BRAP BRAPP,
Cause everyday is BRAP BRAP BRAP BRAPP,
Them young kids ain't playing BRAP
Them young kids are spraying BRAP
Cause all ya hear is,
Another engine BRAP BRAP BRAP BRAPP
Another killing BRAP BRAP BRAP BRAPPP
Them young kids ain't playing BRAP
Them young kids are spraying BRAPP
Cause all ya hear is,

Role models

They say we need some black role models
That ain't footballers rappers actors or no models
Father figures
They say we need some more father figures
Like u can't grow if your mothers there n your father isnt
Fuck dat
I say we need to put suttin back
Into communities where they think the way out is shotting crack
It's more than, music don't give us the blame
Atleast were tryin to make a fucking change

In yout them lyrics BRAP BRAP BRAP BRAPP,
And guns are selling BRAP BRAP BRAP BRAPP,
Them young kids ain't playing BRAP
Them young kids are spraying BRAP
Cause all ya hear is,
Another engine BRAP BRAP BRAP BRAPP
Another killing BRAP BRAP BRAP BRAPPP
Them young kids ain't playing BRAP
Them young kids are spraying BRAPP
Cause all ya hear is, brap brap brap brapp
