Kano

One step two step killing sum breh (breh),
Im known to kill mans then move somewhere,
man looks at me and hes in for a scare (scare),
Bust out the chorus and pass me the chair.

If you think im hot...show me your tits,
I will pick a gyal then take her to the ritz,
we f**k all night then make sum kids,
then back to the studio to make sum hits.

So look, how come im in top notch,
and you're out on the streets trying to kotch,
I dont mean to offend thee but its just my turn.
let me spit my lyrics and watch you burn,

Yeh Mr KA to tha NO...and LAYZA...
Sounds of the Carpenders Park or perhaps the Watford?
NAHHHH.

Watch out for the album on its way
