

# Hopelessly Human

Kansas

It's a strange aberration, this brainstorm of youth  
Though it's lost in translation from fancy to truth  
It's hopelessly human, both inside and out  
A joyous occasion, no reason to doubt  
It's easy somehow, what once was elusive is calling me now

I am waiting, I am patiently,  
Doing nothing, in a reverie  
Climbing higher, seeing everything  
Interacting, slowly, spiralling  
I am giving, while I'm watching the  
Life I'm living, precious energy  
Escalating, what was once just a game  
It's never the same, no one's to blame

It's a strange situation, there's no cause for alarm  
All these hot licks and rhetoric  
Surely do you no harm  
They're hopelessly human, both inside and out  
A joyous occasion, there's no reason to doubt  
When each word is read, would you know the difference  
If nothing was said

All is rhythm, all is unity  
I am laughing, as it's meant to be  
Just amusing, I am using the  
Word was given, making harmony  
Moving slowly, dancing aimlessly  
Endless circle, turning fearlessly  
Resurrected, falling down again  
Introspective, I'm just stating my views  
Now you can choose, what do you feel  
Is it for real this time
