There's a reason for all that rhymes  
It's the fact and the way of the times  
It's moving emotion, it's high and it's low  
No matter where you go

There is something for all who  
Look, there's a story in every book  
All of the pages, between all the lines  
So much that you can find

But there's too many empty lives my friend  
And we just can't let them waste away  
For this life is a precious thing my friend  
And we just can't wait another day

There's a message in every word  
And it's more than the word you heard  
Moving emotion, it comes like a sea  
Washing all over me

But there's nothing that we can't do my friend  
'Cause the spirit is with us all  
And it's here and it's now, it's up and it's down  
You can feel it surrounding us all

After all it's all the same, only difference is a name  
And where we are  
In this crazy mixed up deal, there's so many things you feel  
Near and far it's where you are

There's times when I can't contain all the feelings of love I'll  
I gain  
It's there for the asking, it's for all of you if you would take  
it too

But there's too many empty lives my friend  
And we just can't let them waste away  
For this life is a precious thing my friend  
And we just can't wait another day
