

# I Thought About Killing You

Kanye West

I know, I know, I know, I know, know  
I know, I know, I know, I know, know

I, I know it, I know it

The most beautiful thoughts are always besides the darkest  
Today I seriously thought about killing you  
I contemplated, premeditated murder  
And I think about killing myself, and I love myself way more than I love you  
, so...

Today I thought about killing you, premeditated murder  
You'd only care enough to kill somebody you love  
The most beautiful thoughts are always inside the darkest  
Just say it out loud to see how it feels  
People say don't say this, don't say that  
Just say it out loud to see how it feels  
Weigh all the options, nothing's off the table  
Today I thought about killing you, premeditated murder  
I think about killing myself, and I love myself way more than I love you, so  
The most beautiful thoughts are always besides the darkest  
I think this is the part where I'm supposed to say something good to compensate it  
So it doesn't come off bad  
But sometimes I think really bad things  
Really, really, really bad things  
And I love myself way more than I love you  
See if I was trying to relate it to more people  
I'd probably say I'm struggling with loving myself because that seems like a common theme  
But that's not the case here  
I love myself way more than I love you  
And I think about killing myself  
So best believe, I thought about killing you today  
Premeditated murder

I called up my loved ones, I called up my cousins  
I called up the Muslims, said I'm 'bout to go dumb  
Get so bright it's no sun, get so loud I hear none  
Screamed so loud got no lungs, hurt so bad I go numb  
Time to bring in the drums, that prrt-pum-pum-pum  
Set the Newton on 'em, set the nuke off on 'em  
I need coconut rum, I taste coke on her tongue  
I don't joke with no one, they'll say he die so young  
I done had a bad case of too many bad days  
Got too many bad traits  
Used the floor for ashtrays  
I don't do shit halfway, I'ma clear the cache  
I'ma make my name last, put that on my last name  
It's a different type of rules that we obey  
Ye, Ye, Ye season, nigga, we obey  
We was all born to die, nigga DOA  
Niggas say they hero, mhm, I don't see no cake  
Mhm, I don't see no, mhm, yeah, I don't see no, mhm  
If I wasn't signed to so hard there'd be no Shay  
Buckwheat ass nigga, it's 'gon be otay  
Young nigga shit, nigga, we don't age  
I thought I was past my Deebo ways

Even when I went broke, I ain't break  
How you gon' hate? Nigga, we go way back  
To when I had the braids and you had the wave cap  
Drop a pimp of the fade and I'm on my way ASAP  
Don't get socked in the mouth, you know homie don't play that  
Pay the fire marshal bill 'cause this shit done got way packed  
They wanna see me go ape (ape, ape)  
All you gotta do is speak on Ye  
All you gotta do is speak on Ye  
Don't get your tooth chipped like Frito-Lay
