

Maybe

Kanye West

Do or die
You and I
Like a blank page (Maybe we-)
See inside
Most hot (Maybe we don't-)
Maybe (Maybe we don't last forever)
Like a hopeless romantic, oh-oh-oh
Hopelessly, yeah

Just to cope
Just a possible word of hope, like
Maybe, possibly, if, done somethin', this

That suit and tie shit
That marathon shit
That take-it-off shit
That cuttin' off bitch
I want you tonight
I need you tonight
Come see through my eyes
Girl, why would I lie?
I want love
I want love (I want love)

Broke the hump, go and let 'em
Buy, don't want rent 'em (I want love)
Buy them stilleto
I don't forget her (Maybe we don't last forever)
Get up!, Get up!

(Maybe we don't last for-)
(Maybe we-)
(Maybe we-)
