Comin' from the blitz, turn to your ashtray  
You can have a bad day  
Pull up with a stick, three thou' shots, André  
Top of the world, \*\*\*\* get starstruck, I just be oiled up  
Calm my nerves, hangin' with narcos, shoot like vato  
Bales at the loft, I can go golf, mmm  
Flyin' out to New York, she do it with an arch  
Rick James, drip on my cloth  
Why must I explain? When I'm with my dawg, right or wrong
