

Rain

Kanye West

Fall down, fall down, Lord, please
Let it (Let it), fall down, fall, Lord, please
Fall down, fall down, Lord, please
Let it (Let it), fall down, fall, Lord, please

Sometimes it's soft as a misting rain
That gently touches our souls
It cools the fire that burns in us
And we simply lose control

So just rain down, Lord, Lord, please
Let your love fall like rain
Just rain, Lord, please
Just rain down, Lord, Lord, please
Let your love just shower us
Just rain, Lord, please

Sometimes it's soft as a misting rain
That gently touches our souls
It cools the fire that burns in us
And we simply lose control

So just rain down, Lord, Lord, please
Let your love fall like rain
Just rain, Lord, please
Just rain down, Lord, Lord, please
Let your love just shower us
Just rain, Lord, please

Rain, rain, Lord, please
Rain, rain, Lord, please
Rain, rain, Lord, please
Rain, rain, Lord, please
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, Lord, please
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, Lord, please
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, rain, Lord, please (Rain down, Lord please)
Rain, rain, Lord, please (We need it, we need it)
Rain, Lord, please

Sometimes it's soft as a misting rain
