

# Stronger

Kanye West

Work it, make it, do it,  
Makes us harder, better, faster, stronger!

Work it harder, make it better,  
do it faster, makes us stronger,  
more than ever, hour after,  
Our work is never over.

R: Na-na-na that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'Cause I can't wait much longer  
I know I got to be right now  
'Cause I can't get much wronger  
Man I've been waitin' all night now  
That's how long I've been on you

I need you right now  
I need you right now

Let's get lost tonight  
You could be my black Kate Moss tonight  
Play secretary, I'm the boss tonight  
And you don't give a fuck what they all say right?  
Awesome, the Christian and Christian Dior  
Damn, they don't make 'em like this anymore  
I ask 'cause I'm not sure  
Do anybody make real shit anymore?  
Bow in the presence of greatness  
'cause right now thou hast forsaken us  
You should be honored by my lateness  
That I would even show up to this fake shit  
So go ahead go nuts go ape shit  
Especially in my pastel on my bape shit  
Act like you can't tell who made this  
New gospel homie, take six, and take this, haters

R:

I need you right now  
I need you right now

Me likey

I don't know if you got a man or not,  
If you made plans or not  
If God put me in your plans or not  
I'm trippin' this drink got me sayin' a lot  
But I know that God put you in front of me

So how the hell could you front on me?  
There's a thousand you's, there's only one of me  
I'm trippin', I'm caught up in the moment right?  
Cause it's Louis Vuitton Don night  
So we gon' do everything that Kan like  
Heard they'd do anything for a Klondike  
Well, I'd do anything for a blonde-dike

And she'll do anything for the limelight  
And we'll do anything when the time's right  
Ugh, baby, you're makin' it (harder, better, faster, stronger)

R:

You know how long I've been on you?  
Since Prince was on Appolonia  
Since OJ had Isotoners  
Don't act like I never told you (6x)  
Baby, you're making it (harder, better, faster, stronger)

R:

You know how long I've been on you?
