Wake Up Mr. West

Kanye West

I knew I was gonna see ya, I knew I was gonna see you again! I was gonna see you again Where your god damn book bag at? Always carryin' that lil' book bag Nobody want to see that God damn fourth grader Sit yo' ass down Now he want to play it again like he got something else to do You ain't got nothin' else to do You ain't doing nothing wit yo life

Nothing with your life What do you think this is? You better look at me when I'm talkin' to you! You think this is easy don't you? You think this is promised Oh ain't nothin promised with you Look at my face, do I got a promise face? Does it look like promise you anything? Kanye! Nigga! Is you snorin' in my class? Wake up Mr. West! Mr. West
