

# Hope

Kap G

I want that motherfuckin' power  
I need that motherfuckin' money  
I don't need these motherfuckin' hoes  
Ayy, ayy

See the fuck judge don't get it  
I been holdin' in all the pain  
I get off in 4 minutes  
And I still gotta take that train  
And the police don't get it  
And you folks tryna take my life  
And when you die, can't go with it  
I be damned if I don't get right, yeah  
They don't fuck around, they let amigo get some money though  
I ain't never been nowhere, you know I'm from the body, oh  
Yeah, I got hope in my veins  
Yeah, no dope in my veins  
Yeah, I got hope in my veins  
Yeah, no dope in my veins

Take a trip to my community, black and brown unity  
This shit ain't new to me  
These people like foolin' me, I'ma keep doin' me  
I'm doin' my own shit, these suckers ain't suin' me  
Funerals, too many, I been to too many  
She want the new Fendi, I want the blue pennies  
Keep on talkin' 'bout you, see the new in me  
Drunk, keep on talkin' but he ain't go do anythin'  
I been through too many things, we been through too many pains  
Take a trip to my side  
You won't let to on his name, we was insane  
But who's to blame?  
I been hangin' with the old killers, dope dealers  
Why you worried 'bout me? That ain't your business  
I be feelin' like Wayne on No Ceilings  
I ain't sparin' nobody, ain't got no feelings, yeah, yeah

See the fuck judge don't get it  
I been holdin' in all the pain  
I get off in 4 minutes  
And I still gotta take that train  
And the police don't get it  
And you folks tryna take my life  
And when you die, can't go with it  
I be damned if I don't get right, yeah  
They don't fuck around, they let amigo get some money though  
I ain't never been nowhere, you know I'm from the body, oh  
Yeah, I got hope in my veins  
Yeah, no dope in my veins  
Yeah, I got hope in my veins  
Yeah, no dope in my veins

I be from where they totin' them things  
Had a cover, we got it, he told me some things  
He said these niggas fly, man, you owe us some things  
Your baby mama, had your dope in the Range  
Been workin' my move, I been goin' through things

My partner just came out, did 4 in that thing  
My old friend told me that I totally changed?  
Or is it 'cause you stayed the totally same  
I been turnin' up on the weekends, yeah  
Mama still workin' house keepin', yeah  
Still can't let a nigga come cheat me, yeah  
Drop top, now how's life been treatin' ya?  
I been doin' fine, my partner's doin' time  
Fuck the police, yeah, all they do is shine  
Money on my mind, yeah, God been givin' signs  
I just gotta shine, I just need to shine

See the fuck judge don't get it  
I been holdin' in all the pain  
I get off in 4 minutes  
And I still gotta take that train  
And the police don't get it  
And you folks tryna take my life  
And when you die, can't go with it  
I be damned if I don't get right, yeah  
They don't fuck around, they let amigo get some money though

Yeah, I got hope in my veins  
Yeah, no dope in my veins
