Chingue a su madre, a mí me vale
Mueve el culo con los timbales
Esta bitch hace malabares
De la tanga feria le sale
La peor de todos mis males
Vamo' a comernos como animales
Si andamos juntos, somos letales
En el avión como Ritchie Valens
Creo que me aluciné
Ando viendo en 3D
Antes bitches eran dos
Ahora estoy viendo como a seis
Suenan "La Bamba", quita su tanga, ya no tiene dieciséis
Tiene veintiuno, le encanta la fiesta y ahora los quiere en la face
Ja, las cosas como son; para toda una cabrona siempre va a haber un cabrón
Así que mueve esa nalgota, si te la ponen, dispón
Me la llevo en mi trocón, como dijera El Rucón

La-La-La-La-La-La bamba, shake that ass
