

# Power

Kap G

Aye yeah yeah  
Kap G  
Aye yeah yeah  
Hey yeah  
Let's get it  
Aye, aye

I swear that money, that power  
Make them respect everything bout you  
I swear that anything possible  
Can't be scared to take no losses (no)  
I swear I learn from them bosses  
Turn all my niggas to bosses (yeah)  
We were young, breaking laws (oh)  
I had that work in my draw aye  
I swear that money, that power (oh)  
Fuck nigga, everything ours (ours)  
Fuck nigga, everything ours (ours)  
They say more money, more problems yeah (oh)  
But we body problems for problems  
Extended mag, I'm a monster  
What's a man to a monster (yeah)  
I say that money, that power

Aye  
I say that money, that power  
That shit like Tony Montana (aye)  
On this shit get a poppa  
I'm sipping dirty Fanta  
Free all my partners in slamma (what)  
I'm burning time like a candle (erks)  
I fuck with Jigga and gamblers  
My money roll like a zambo  
I know a girl keep on blessing me (ooh)  
I ain't mad, nobody freshing no (oh no)  
I need my stash by tomorrow then  
Sorry but it ain't no catching, no (goddamn)  
No teacher no they ain't never testing no (no)  
That shit you doing ain't impressing no (it ain't)  
Hit up Houston they show me testing love  
Shooters on the block like Kevin Love  
I'm mixing drugs (I'm mixing drugs)  
My bitches in Uggs (My bitches in Uggs)  
Still with my day one, Migos, there's no switching no  
You listen up, we live it up (woo!)  
We getting up, we sippin up  
Like sippy cups  
But this dirty mud  
Aye, we balling like Spud

I swear that money, that power  
Make them respect everything about you  
I swear that anything possible  
Can't be scared to take no losses (no)  
I swear I learn from them bosses  
Turn all my niggas to boss (yeah)  
We were young, breaking laws (oh)

I had that work in my draw aye  
I swear that money, that power (oh)  
Fuck nigga, everything ours (ours)  
Fuck nigga, everything ours (ours)  
They say more money, more problems yeah (oh)  
But we body problems for problems (aye, aye)  
Extended mag, I'm a monster  
What's a man to a monster (yeah)  
I say that money, that power

Yeah everything I got yeah I work for it  
Including my belt, that's Gucci (Gucci)  
And it ain't no more living in hell  
They here fully wishing me well  
Yeah I fuck with Lucci  
And I got them new hunnids  
New hunnids with the blue on it  
I call it blue cheese (hunnid, hunnid, hunnid)  
And my bunk is the tool  
Ready or not like the fugees [?] and can watch it like  
Hey tell me what's the [?]  
Tell me who your bitch tell her I'd do her (aye)  
Hit her once then I say toodles (what)  
Young Migo made it from the sewer (sewer)  
And then came along, wait for me to [?]  
Ya'll came up (came up)  
No they ain't us (ain't us)  
Talking to police don't bring my name up (no)  
Ride for my niggas yeah from the way up  
Put em on my wheels just like Jada  
Aye  
My vodka got powder (they got it)  
Fish cut like flounder  
They really bout it  
My bloods are louder  
My girl around here, gimme some space  
Ain't talking outter  
You die a thousand times  
You is a coward  
They say money is power  
The world is ours  
We gon' fall off, patna I doubt it

I swear that money, that power  
Make them respect everything about you  
I swear that anything possible  
Can't be scared to take no losses  
I swear I learn from them bosses  
Turn all my niggas to boss  
We were young, breaking laws  
I had that work in my draw aye  
I swear that money, that power  
Fuck nigga, everything ours  
Fuck nigga, everything ours  
They say more money, more problems yeah  
But we body problem for problems  
Extended mag, I'm a monster  
Hey what's a man to a monster  
I say that money, that power  
Aye

I say that money, that power (power)  
I say that money, that power (yeah)

I say that money, that power (power)  
I say that money, that power (yeah)  
I say that money, that power (power)  
I say that money, that power (yeah)  
I say that money, that power (power)  
I say that money, that power

Aye Kap G man, south side  
Ya'll know how we do it  
Aye, aye, yeah
