Kap G

[Chorus]

Last year I ain't really had nothin'
This year I made your house in a month
Since a youngin' kept it solid from the jump
I gotta cherish it, I used to have nothin'
Yeah, had to keep faith, came a long way
I'm f*ckin' your bae and I'm runnin' away
Got a lot on my plate, gotta make some shape
And it ain't no brakes, yeah
