Sometimes when I'm feeling down and empty
At those times, I keep thinking of you
Bop u u bop u - on days when I'm feeling a bit off
I still can't erase you

When I feel like crying and I'm frustrated
At those times, I think of you
Don't forget, don't change
I will place those hopes in my heart
And send them to you

I miss u on cold days
I miss u on days I long for you
I miss u, step by step
I will go to you
Selfish me
Stuck-in-the-same-place me
I want you to come to me just once

When things are complicated and my heart feels dull
At those times, I think of you
Don't let me go, don't erase me
I will place those hopes in my heart
And send them to you

I miss u on cold days
I miss u on days I long for you
I miss u, step by step
I will go to you
Selfish me
Stuck-in-the-same-place me
I want you to come to me just once

When this season passes, when the coldness passes
You will get farther away
To a place where I can't reach you step by step
Selfish me
Stuck-in-the-same-place me
I want you to come to me just once, come to me just once

I miss u on cold days
I miss u on days I long for you
I miss u, step by step
I will go to you
Selfish me
Stuck-in-the-same-place me
I want you to come to me just once
