It don't get no easier
(Love, love)

But I swear that it's enough for me (Uh, uh, uh)
I'm all in, I'm not letting you go
Feel a way 'bout us taking it slow
I don't wanna wait (No, oh, oh, oh)
Like don't you ever go (Don't you ever—)
I'm all in, now you know
When I'm with you, boy
Time stops (ooh)
Time stops (ooh)
