

## Cherry Coke

Karate

I'm still shaking off last night. I'm still trying to get this right. You know the morning seems to set my head on fire. I know it's a little late, but you know I love to make you wait. You can only smile and wonder why. And I say "Now". You know I don't like this place, but if it's on you then it's okay. It's not like I'll be drinking anyway. You know I can't take a joke. Wash it down with Cherry Coke, sweet surprise that makes my mouth all dry. And I say "Now" .....
