

## Every Sister

Karate

Maybe,  
things are harder when you try,  
and I can brag if I want to.  
And you'd believe it if you want to.

Maybe,  
if you repeat the situation,  
you could see my hesitation.  
And I wouldn't feel so bad.

But I can't figure you out.  
It's not the same for you I know.  
So let me bang my head against  
the wall if I want to.

Maybe,  
I could see just how I missed her,  
and she could speak for every sister.  
And I wouldn't feel so bad.

Maybe,  
she could be my generation,  
and she would feel my isolation.  
And I wouldn't feel so bad.

But I can't figure you out,  
it's not the same for you I know.  
So let me bang my head against  
the wall if I want to.
