

## Gasoline

Karate

Hey  
sugar,  
Hey  
sugar,  
Hey  
sugar,  
Sugar

Just to watch you  
sleep.  
Just to hear you  
speak.  
Just to hear you.

Stay.  
Everything  
you say.  
You know it gives you,  
just gives you away.

Stay,

Sugar  
gasoline.  
When you're nineteen,  
when you're nineteen.  
Sugar,  
if I keep it near,  
will it keep you here,  
will it keep you here.  
Stay,  
your leaving just gives you away.  
Your leaving just gives you away.
