Careful what you wishing, my mission is make you listen
Cooking crack up in the kitchen, pissing all up in the video
What me say? (What me say?)

Standing on top of the chair for no reason
Throwing money in the air for no reason
Pouring liquor on the floor for no reason

To prison without a key cause I'm black I'm free

I don't care what 'dem say don't shoot them (nigga)
The more that you become the enemy is the more that the killers and hoes are

gonna recruit them (nigga)
Who dem? Slow down

Standing on top of the chair for no reason
Throwing money in the air for no reason
Pouring liquor on the floor for no reason
I don't need a reason
Burrr, skrt
I don't need a reason
Ayeeee No, I don't need a reason
Ayeeee No, I don't need a reason
Ayeeee No, I don't need a reason
I don't need a reason
Burrr, skrt, I don't need a reason

Maybe you listened but maybe you didn't (nigga)
It doesn; t really matter it's your decision my (nigga)
All I'm tryna do is get through to my niggas that'll only pay attention when they hear me say (nigga)
Maybe on day we will really ride (nigga)
Come together fighting for the bigger pride (nigga)
Until then I will just keep spitting nitrogen
Talking 'bout revolution inside of the pen (nigga, nigga, nigga)

Standing on top of the chair for no reason
Throwing money in the air for no reason
Pouring liquor on the floor for no reason
I don't need a reason
Burrr, skrt

It institutionalized slavery, family
You don't see what they doing out there my nigga
There's almost as many niggas in jail as there is in college my nigga
My nigga
You gotta do what you gotta do fuck what they telling you out there my nigga
It's bigger than that
There is a reason
