

Turn On Your Love Light

Karel Gott

Without a warning you broke my heart,
you took it darling, tore it apart
you left me sitting in the dark cryin'
you said your love for me was dyin.

Im beggin you baby, baby please
Im beggin you babe, baby please
Turn on your light let it shine on me
Turn on your love light let it shine on me
Let it shine, shine, let it shine.
I've been lonely in the middle of the night
And I need you darlin to make things all right

Come on baby, baby please
Come on hey babe, baby please
Turn on your light let it shine on me
Turn on your love light let it shine on me

Just a littlebit higher
Just a littlebit higher
Just a littlebit ah!

Turn on your light let it shine on me
Turn on your love light let it shine on me
And than you baby and I need You all the night
Tell that mamma, that I feel all right

I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now
I feel all right now

get up to that baby
I feel all right now
in the middle of the night
wake up baby
wake up baby
