## You

## **Karen Carpenter**

You are the one who makes me happy When everything else turns to gray Yours is the voice that wakes me mornings And sends me out into the day

You are the crowd that sits quiet list'ning to me With all the mad sense I make
You are one of the few things worth remembering
And since it's all true, how can anyone mean more to me than yo u.

Sorry if sometimes I look past you There's no one beyond your eyes Inside my head the wheels are turning Hey sometimes I'm not so wise

You are my heart and my soul, my inspiration
Just like the old love song goes
You are one of the few things worth remembering
And since it's all true, how could anyone mean more to me than you

You are my heart and my soul, my inspiration
Just like the old love song goes
You are one of the few things worth remembering...
And since it's all true, how could anyone mean more to me than you.
